Black and White

**PRODUCT WARRANTY**  
2 Years Manufacturers  
Warranty

**WATERPROOF RATING**  
IP20 (for indoor use only)

# MEDIUM WASH

LW-LA-MW

## Single Circuit Track Adaptor

This means that all the lights will dim at the same time and turn ON and OFF within the same circuit.

## 90° Tilt

You can tilt the light up and down pointing in closer to the object that you need to illuminate.

## CRI 90

Colour Rendering Index of 90 is the quality of the LED that is used. This means the colours of the art work remain vibrant.

## Cast Aluminium, Powder Coated

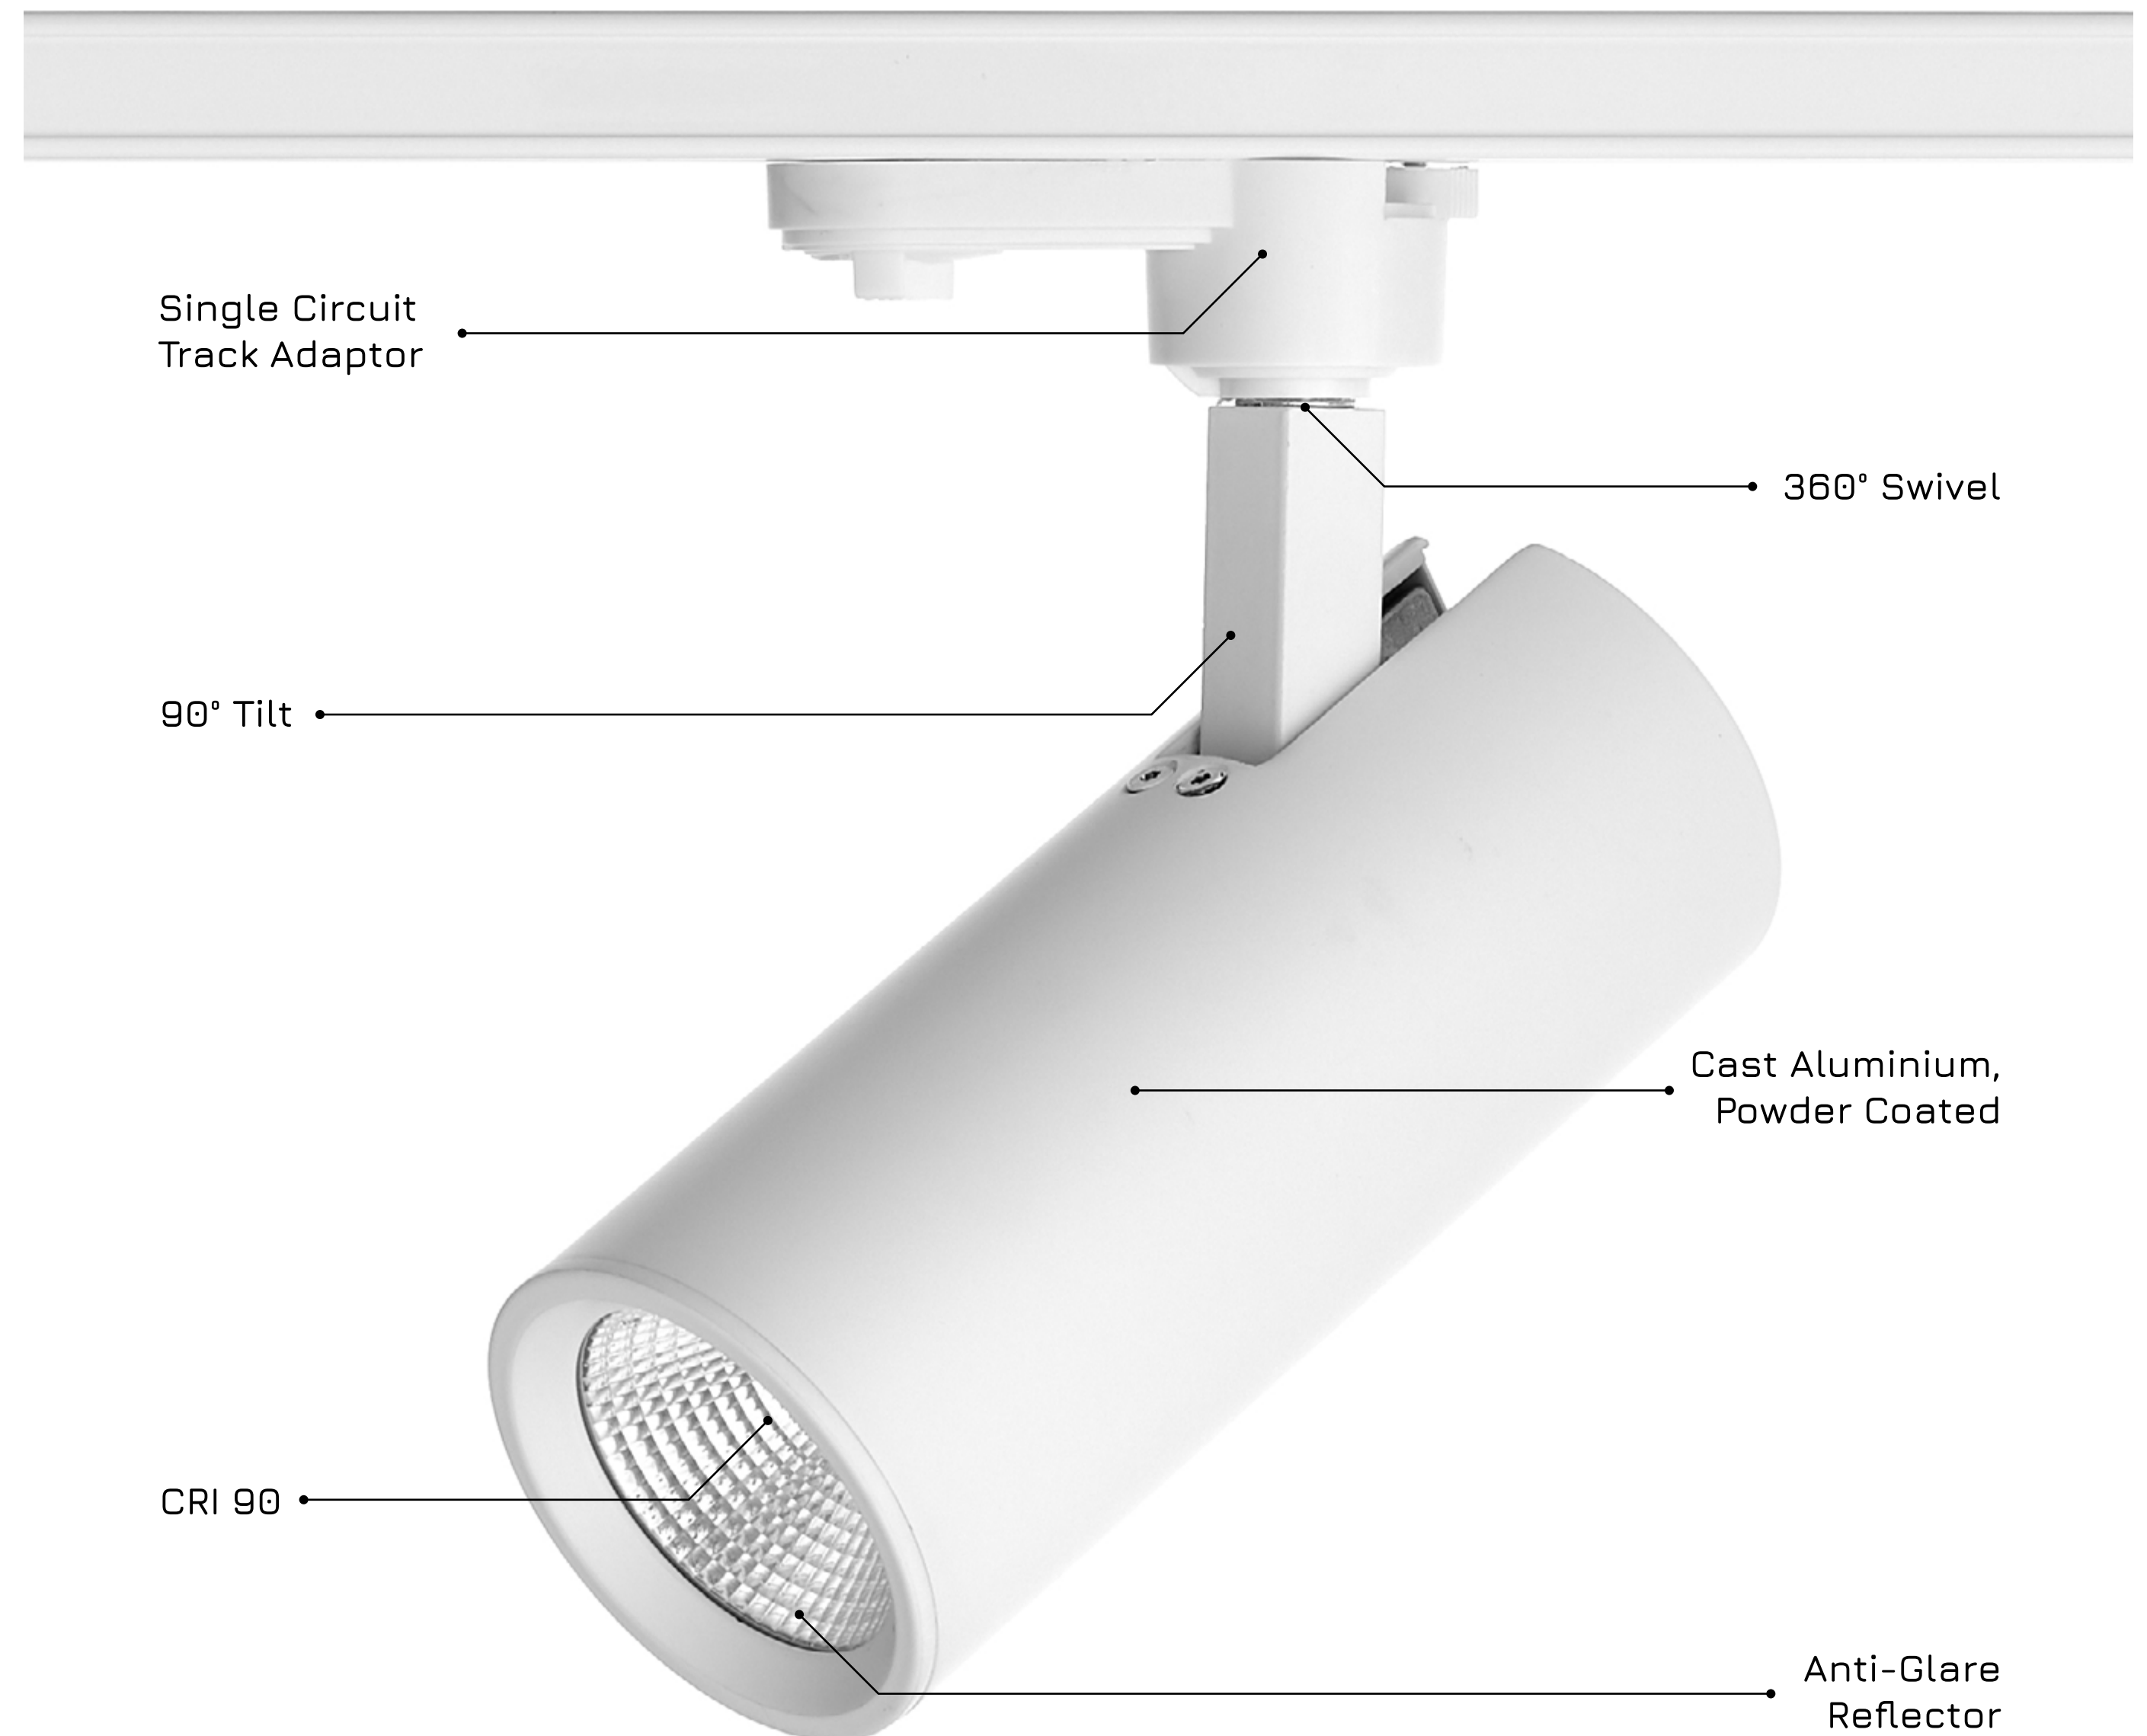

The body of the luminaire is a strong cast aluminum with a matte finish powder coat.

## 360° Swivel

You can swivel the the light 360 degrees giving a full range of motion.

## Anti-Glare Reflector

This helps the light beam angle distribute and assists with anti glare.

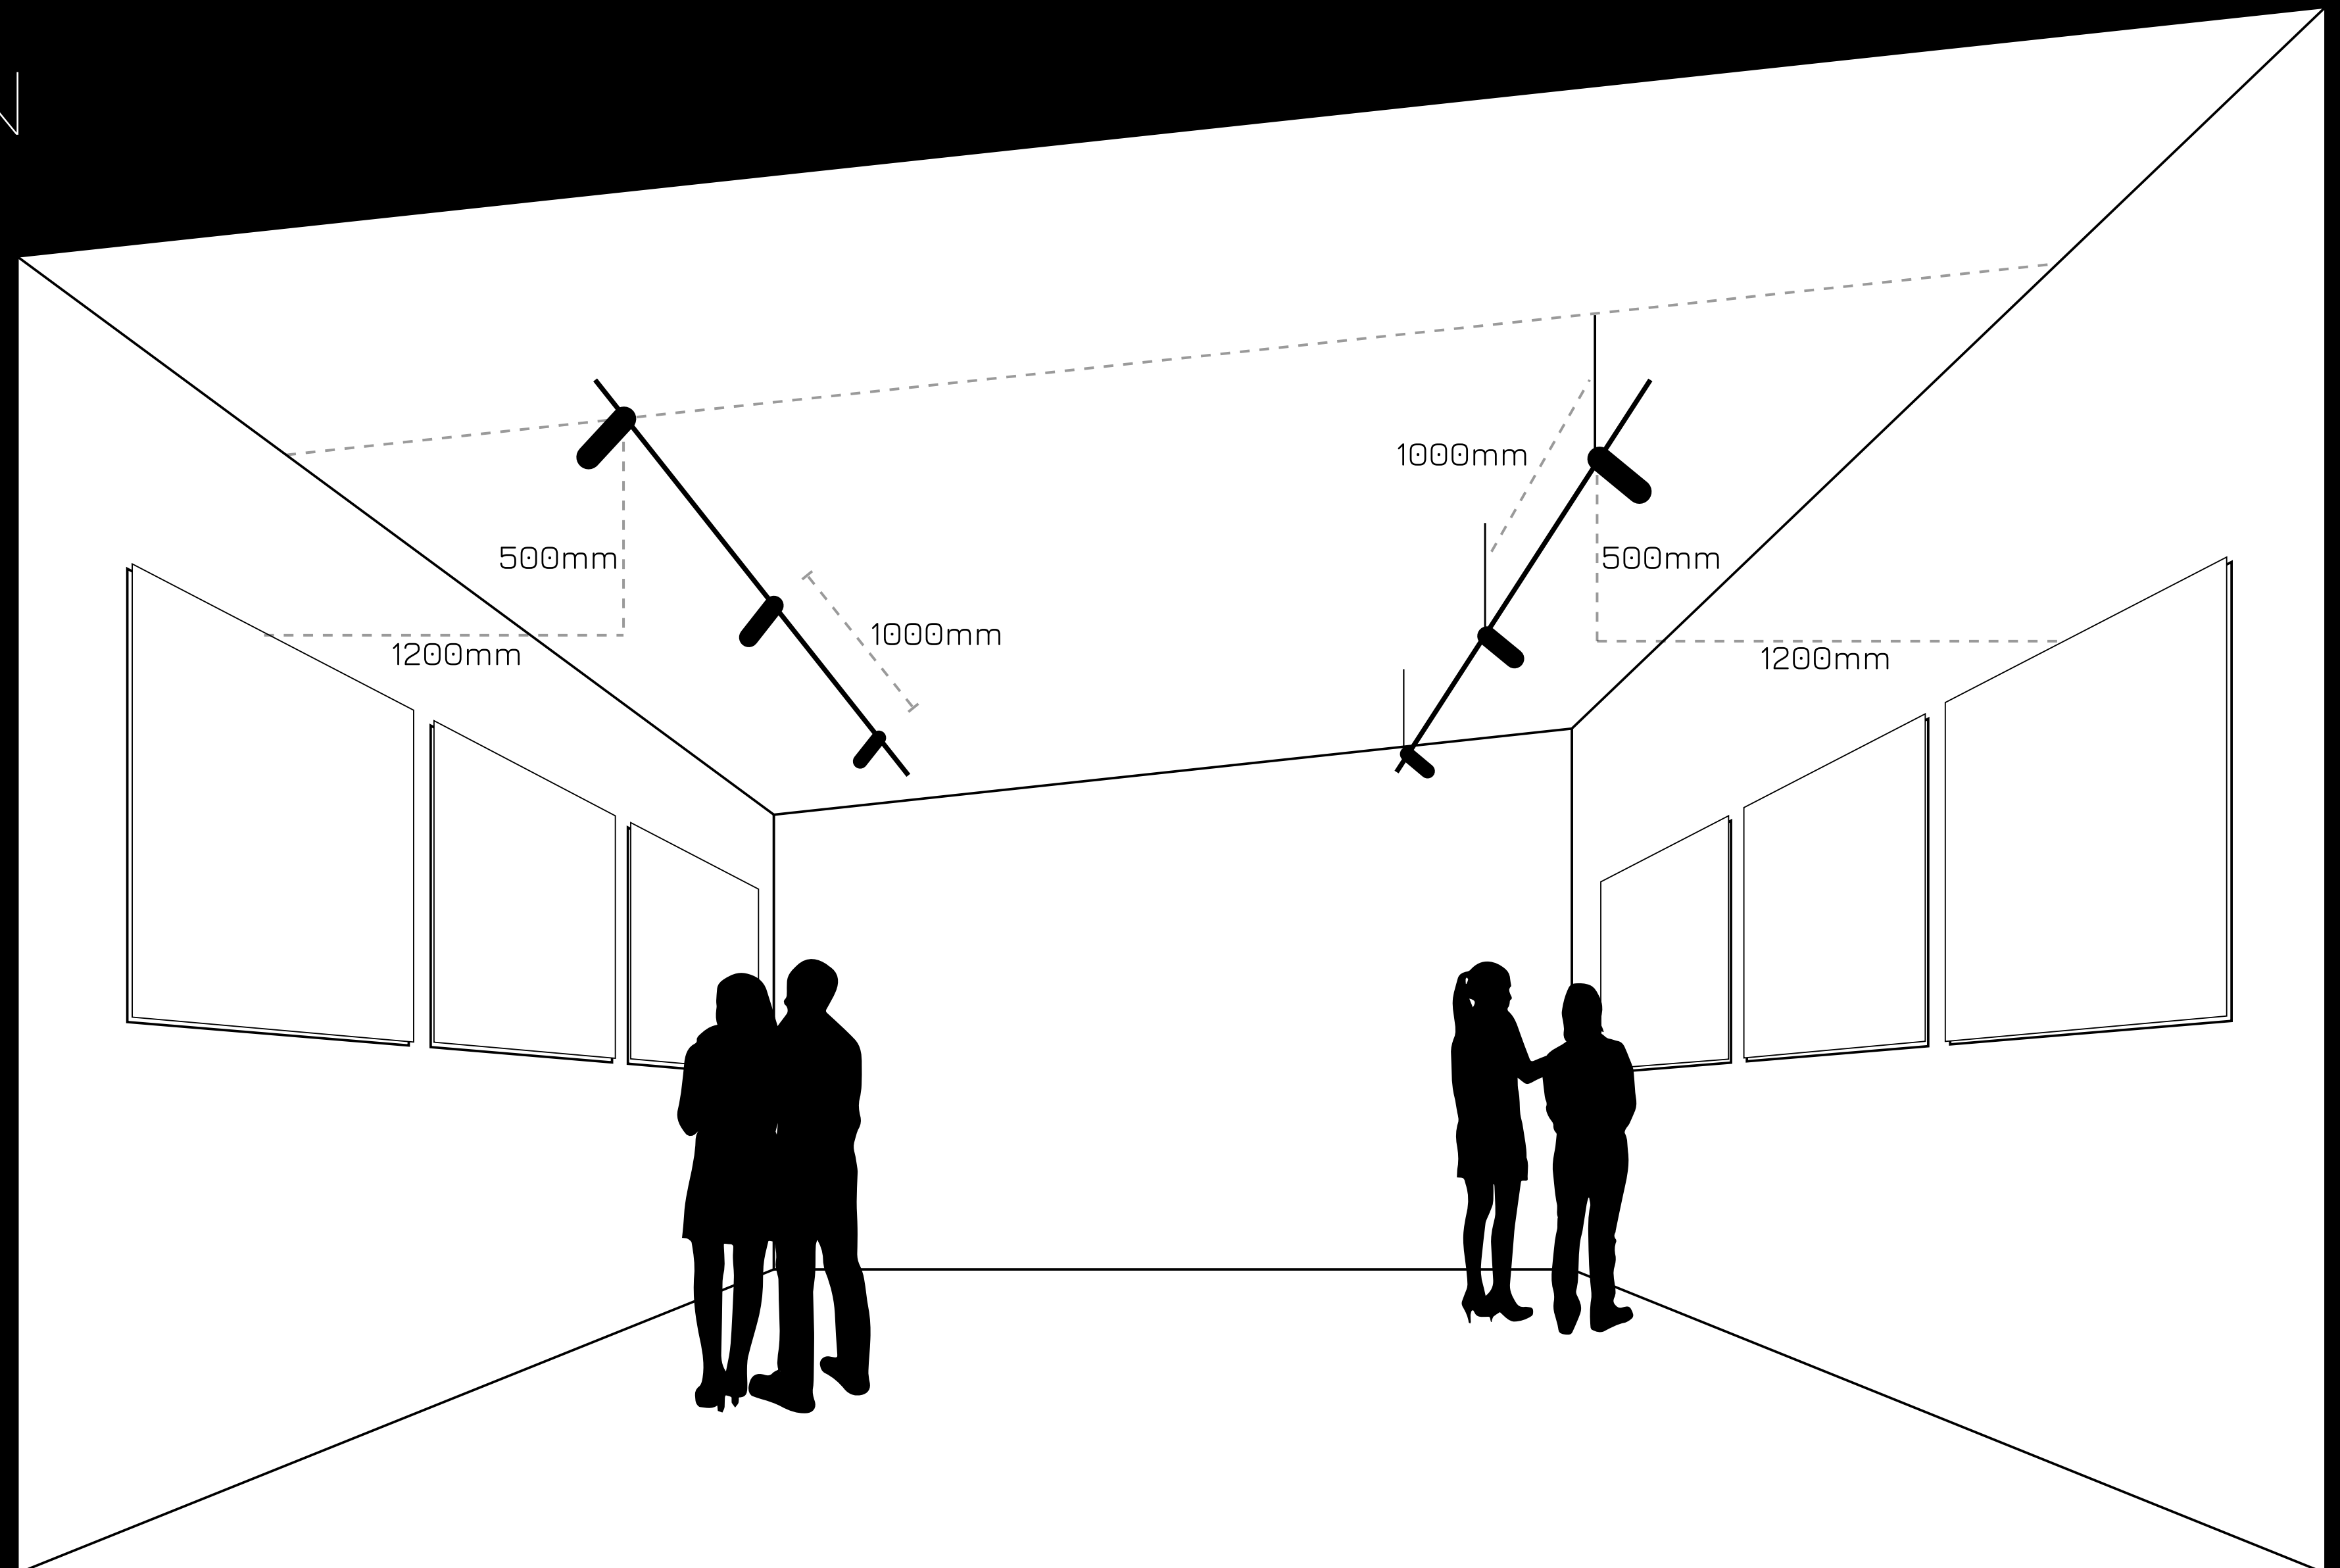

# MEDIUM WASH

AVAILABLE IN BLACK OR WHITE FINISH

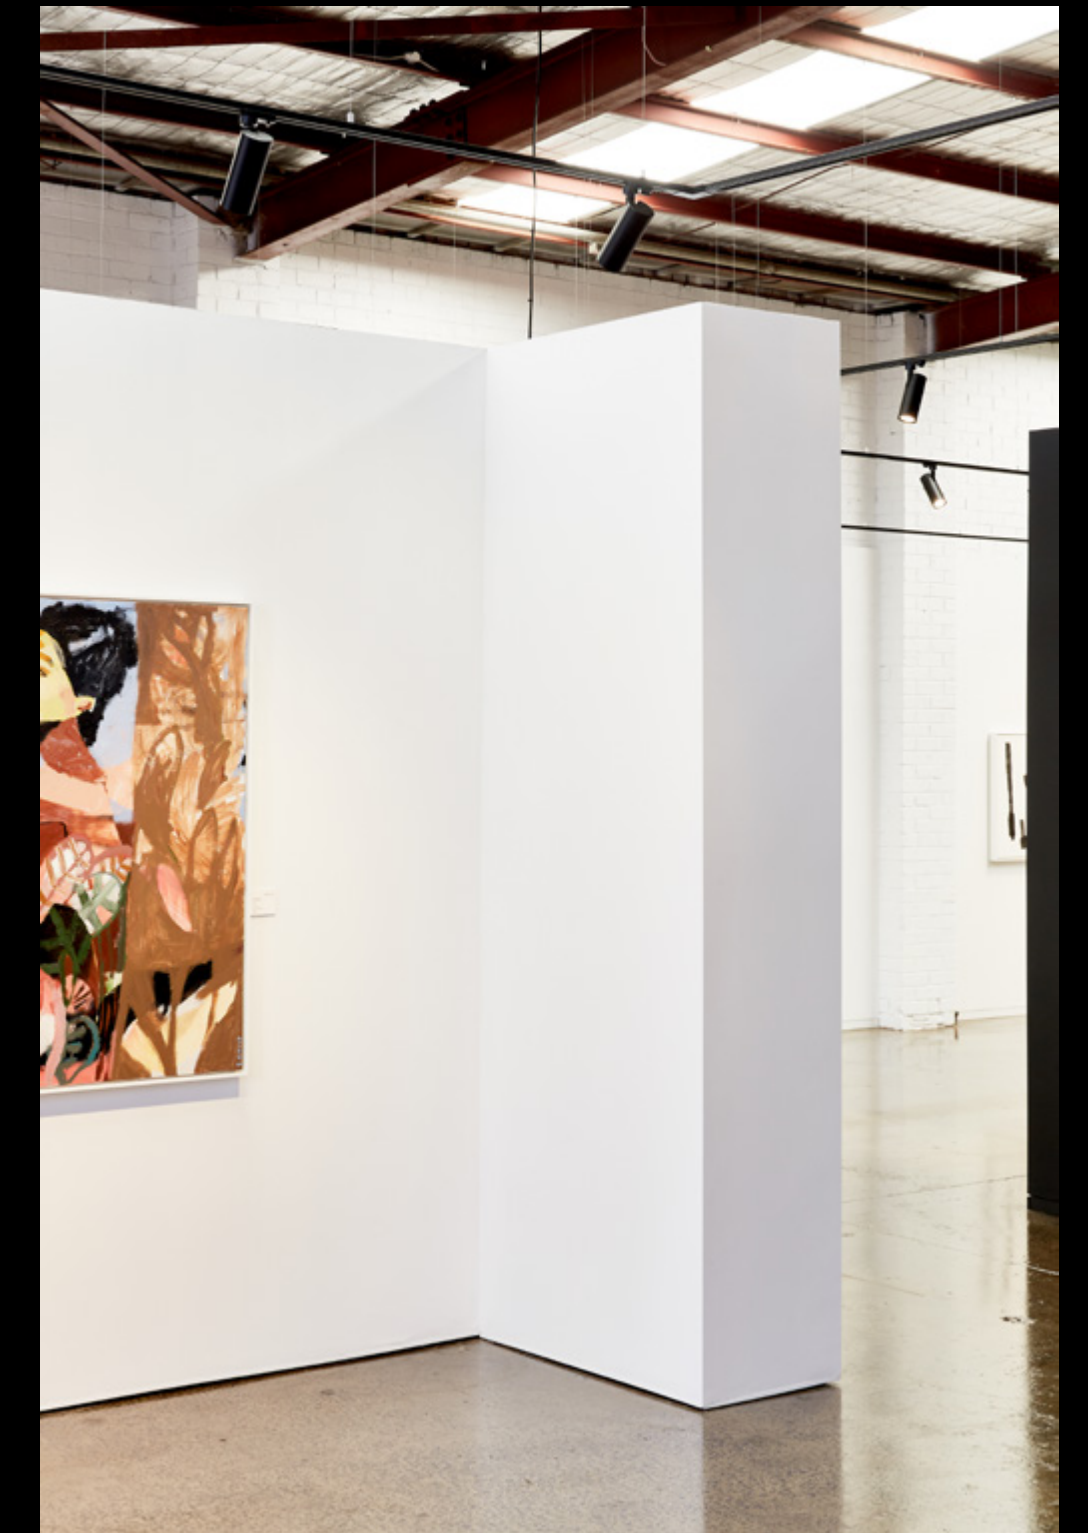

# INSTALLATION

L'Art is our entry-level gallery lighting range, with simple guidelines for installation. L'Art track should be placed 1.2 meters from artwork, with lights spaced 1 meter apart to create a medium wall wash effect. The range is available in black and white and has a CRI of 90, for excellent colour rendering. Lights are dimmable at the wall via phase dimming.
